

Minor Project - 1

Student: Akshaya Gadeela

Dataset: hotel_bookings.csv

Submission package contents:

1. Akshaya_Gadeela_EDA_Project.ipynb - completed and executed EDA notebook
2. hotel_bookings.csv - original dataset required to run the notebook
3. hotel_bookings_cleaned.csv - final cleaned dataset generated by the project

Open the .ipynb file in Jupyter Notebook or VS Code.

The notebook has been executed successfully from first cell to last cell.
